Letter From The President

Hello Fellow Lake Friends,
I hope this holiday season finds all of you and your loved ones happy, healthy, and safe. 2020 has been a stressful and challenging year for all of us. My plan to battle the stress is to relax over the holidays and get ready for snow machine season.

LSTCA has a new board of directors with several new members. We are working on several projects to hopefully improve lake living for all of us. We would really like folks to put on their thinking caps and help the board come up with viable projects for next year. If anyone has project ideas, please feel free to forward the project proposal to any of the current board members. We are also looking for interested people willing to get involved working on projects and on one of our committees.

LSTCA is having its winter board meeting on January 9, 2021 starting at 2:00 pm at the Trout House Room located in the Windbreak Restaurant in Wasilla. Please feel free to attend if you want to. If you can't attend and have an issue you'd like mentioned, please forward your concerns to any of the board members. Our spring meeting in April will be at The Point Lodge. Please check the LSTCA website or Facebook page for dates and time.

Merry Christmas to all and a happy, healthy New Years. See you at the lake.

Joe Stam – President
